Green	21G needle	2.8mm	3871-13	Larger blood samples

- ▶ Twist off the protective cap/safety cover (Prevents premature firing)

- ▶ **WARNING:** Do not use if protective cap/safety cover has previously been removed

- ▶ Select fingertip insertion site slightly off centre to minimise any discomfort and maximise blood flow

- ▶ Hold the lancet firmly against site and press the release button to activate the device

- ▶ Dispose of safety lancet in a suitable sharps container

- ▶ Gently massage the finger in the direction of the puncture site to obtain the required volume of blood
