

Rapid Tests  
Infectious Diseases

## HEXAGON CHLAMYDIA

Immunochromatographic rapid test for *Chlamydia trachomatis* LPS antigen

| REF   | Format  | Unit / Size |
|-------|---|-------------|
| 58012 | Test device   | 30 Tests    |
| 58912 | Dropper tubes with extraction medium, sterile swabs | 60 Units    |

## HEXAGON DENGUE

Immunochromatographic rapid test for antibodies against dengue virus

| REF   | Format       | Unit / Size |
|-------|--------------|-------------|
| 58082 | Test devices | 25 tests    |

## HEXAGON HCV

Immunochromatographic rapid test for antibodies against Hepatitis C virus

| REF   | Format                  | Unit / Size |
|-------|-------------------------|-------------|
| 58072 | Test device and diluent | 40 Tests    |

## HEXAGON HIV

Immunochromatographic rapid test for antibodies against HIV 1 and 2 (3rd generation)

| REF    | Format                  | Unit / Size |
|--------|-------------------------|-------------|
| 57002P | Test device and diluent | 40 Tests    |
| 57004P | Test device and diluent | 100 Tests   |

## HEXAGON H. PYLORI

Immunochromatographic rapid test for *H. pylori* IgG, IgM, IgA antibodies (3rd generation)

| REF   | Format                  | Unit / Size |
|-------|-------------------------|-------------|
| 58022 | Test device and diluent | 20 Tests    |

## HEXAGON HBsAg 1-STEP

Immunochromatographic 1-step test for Hepatitis B surface antigen (HBsAg)

| REF | Format | Unit / Size |
|-----|--------|-------------|
|-----|--------|-------------|

sales@omegairl.com

|       |             |              |
|-------|-------------|--------------|
| 58003 | Test strips | 3 x 20 Tests |
|-------|-------------|--------------|

## HEXAGON MALARIA

Immunochromatographic rapid test for *P. falciparum* (antigen test)

| REF   | Format                                      | Unit / Size |
|-------|---|-------------|
| 58052 | Test strips, diluent and capillary pipettes | 20 Tests    |
| 58051 | Test device, diluent and capillary pipettes | 25 Tests    |

## HEXAGON MALARIA COMBI

Immunochromatographic rapid test with different test lines for the detection of *P. falciparum* and non-*falciparum* species (antigen test)

| REF    | Format                                   | Unit / Size |
|--------|--|-------------|
| 58055P | Test strips, diluent, capillary pipettes | 20 Tests    |
| 58054  | Test device, diluent, capillary pipettes | 25 Tests    |

## HEXAGON STREP A

Immunochromatographic rapid test for *Streptococcus A* antigen

| REF   | Format   | Unit / Size |
|-------|--|-------------|
| 58062 | Test device, extraction solutions and extraction tubes | 20 Tests    |

## HEXAGON SYPHILIS

Immunochromatographic rapid test for *T. pallidum* IgG, IgM, IgA antibodies (3rd generation)

| REF   | Format                  | Unit / Size |
|-------|-------------------------|-------------|
| 58042 | Test device and diluent | 20 Tests    |

## HEXAGON TB

Immunochromatographic rapid test for *M. tuberculosis* IgG, IgM, IgA antibodies

| REF   | Format                  | Unit / Size |
|-------|-------------------------|-------------|
| 58032 | Test device and diluent | 20 Tests    |

## HUMATEX FEBRILE ANTIGENS / MULTISCREENING KIT

sales@omegairl.com

**Agglutination slide and tube test for qualitative and semiquantitative determination of antibodies against *Salmonella typhi* H, *Salmonella typhi* O, *Salmonella paratyphi* AH, *Salmonella paratyphi* BH, *Brucella abortus*, *Proteus OX19* incl. positive and negative controls**

| REF   | Format       | Unit / Size   |
|-------|--------------|---------------|
| 50201 | Complete kit | 6 x 100 Tests |

## HUMATEX FEBRILE ANTIGENS / INDIVIDUAL ANTIGEN KITS

**Agglutination slide and tube tests for qualitative and semiquantitative determination of antibodies against febrile antigens and controls**

| REF   | Parameter        | Unit / Size   |
|-------|------------------|---------------|
| 50271 | S. TYPHI H       | 8 x 100 Tests |
| 50281 | S. TYPHI O       | 8 x 100 Tests |
| 50211 | S. PARATYPHI AH  | 8 x 100 Tests |
| 50221 | S. PARATYPHI AO  | 8 x 100 Tests |
| 50231 | S. PARATYPHI BH  | 8 x 100 Tests |
| 50241 | S. PARATYPHI BO  | 8 x 100 Tests |
| 50251 | S. PARATYPHI CH  | 8 x 100 Tests |
| 50261 | S. PARATYPHI CO  | 8 x 100 Tests |
| 50291 | BRUCELLA ABORTUS | 8 x 100 Tests |
| 50200 | CONTROL PC/NC    | 2 x 2 ml      |

## HUMATEX TOXO

**Latex slide test for antibodies against *Toxoplasma gondii***

| REF   | Format       | Unit / Size |
|-------|--------------|-------------|
| 50023 | Complete kit | 100 Tests   |

## IM QUICK TEST

**Hemagglutination slide test for heterophilic antibodies associated with infectious mononucleosis**

| REF   | Format       | Unit / Size |
|-------|--------------|-------------|
| 40039 | Complete kit | 20 Tests    |
| 40038 | Complete kit | 40 Tests    |

## SYPHILIS RPR TEST

**Rapid plasma reagent charcoal enhanced flocculation test**

sales@omegairl.com

| REF   | Format              | Unit / Size |
|-------|---------------------|-------------|
| 50001 | Complete kit        | 100 Tests   |
| 50002 | Complete kit        | 500 Tests   |
| 50016 | Reduced accessories | 500 Tests   |

## SYPHILIS TPHA TEST

**Hemagglutination test for antibodies against *Treponema pallidum***

| REF   | Format       | Unit / Size |
|-------|--------------|-------------|
| 50101 | Complete kit | 100 Tests   |
